

Union County Military Family Support Group

The Major General and Mrs. Oscar C. Decker, Jr. Community Service Scholarship

Cover Letter For The 2022 Decker Scholarship Application

Background Information

The Union County Military Family Support Group (UCMFSG) is a non-profit, tax-exempt, 501 (c) (3) public charity and community service organization that aids and supports local, actively-serving military members and local military units of the United States Armed Forces (regardless of Branch or Component); supports local veterans who have served since September 11, 2001; and supports their respective families.

The UCMFSG was founded in 2003 by Major General Oscar C. Decker, Jr., United States Army (Retired) and his wife, Ella Mae “Babe” Decker. With the Nation at war, there was a major activation of National Guard and Reserve personnel of all branches of the Armed Forces. Many within Union County were called-up either individually, or with their reserve/national guard unit. These sudden activations and deployments resulted in numerous military families throughout Union County not knowing who to turn to for help. Likewise, many local young men and women enlisted to serve in the military. Thus, General and Mrs. Decker saw a need for a local charitable organization to support not only the deployed service members, but also the families left behind.

Unfortunately, this wonderful, caring couple are no longer with us. General Decker died on September 20, 2019 at the age of 94, and Mrs. Decker passed away a year later on September 12, 2020 also at the age of 94. Oscar and Babe Decker were married on November 8, 1944 and were a dynamic team for 74 years. During his 40 years of continuous service in the United States Army, Oscar Decker’s career spanned three wars, during which he saw combat in WWII and in Vietnam. Oscar Decker rose in rank from Private to Major General having served as a Tank Commander and as the Commanding General of the Army’s Tank and Automotive Command. His beloved “Babe” was the consummate “Army Wife” supporting her husband and caring for military service members and their families around the World, including Union County, Ohio.

Upon General Decker’s retirement from the Army in 1983, he and Babe moved to Marysville, Ohio. They quickly became known for their tireless, humble, selfless service for the benefit of their church, their community, and for those in need within Union County. They readily lent their talents to help local schools, civic projects, and the Ohio National Guard. They were also fervent about caring for soldiers, veterans, and their respective families. As for General Decker, in 2008 he was inducted into the Ohio Veterans Hall of Fame. On September 11, 2012, a new fire station on County Home Road was given his name in honor of his many deeds for Marysville. Mrs. Decker was also known for her many charitable works including making sure that every Troop Care Box had homemade cookies. Their contributions to Marysville and Union County are so numerous that the debt owed them can never be repaid. Without a doubt, **the Decker’s decades-long legacy of caring, giving, and community service is truly unparalleled and is the definition of “selfless service.”**

To honor the Deckers, and to reward acts of selfless service by local youth, the UCMFSG began offering a single scholarship in 2021. However in 2022, the UCMFSG will select three high school seniors (one in each of Fairbanks, Marysville, and North Union School Districts), who have an outstanding record of selfless service, to be awarded the Major General and Mrs. Oscar C. Decker, Jr. Community Service Scholarship in the amount of: **\$2,000** (determined annually).
